

# Welcome to No Risk

Please find below a list of our services for you as a private customer

## Advice

- We inform you about the conditions, exclusions and excesses, and the differences between these.
- We make provisional premium calculations.

## Application and mediation

- We submit the application to the insurance company.
- We explain the requirements the insurance company may place on you.
- We monitor receipt of the policy.
- We check the policy for any inaccuracies.

## Management

- We check the premiums charged by the insurance company.
- We monitor premium payments, so that you do not unintentionally become uninsured.

## Assistance in the event of a claim

- We help you file the claim with the insurance company.
- We monitor progress.
- We check the receipt of the claim payment for any inaccuracies.
- We review and discuss the insurance company's position.
- If necessary, we can engage independent loss assessors for you.
